Quality Goods Award
Chairman of solid Late Shri H.V.Dodiya

**MORE THAN 53 YEARS
EXPERIENCE OF
SUPPLYING
ROAD CONSTRUCTION
EQUIPMENT.**

Founded and established in 1972 by Late Shri Vashrambhai Dodiya, we at Solid 1972 hold a prominent identity in Road Construction Equipment manufacturing. By seeking technical updates from global market, we sensed the demands to make our products better with best possible technical changes and worked upon to satisfy the every niche demands. This practice has made us one of the leading and most innovative manufacturers of India.

Our team of expert researchers put all their efforts in offering profitable solutions using latest technologies.

We aim to design and deliver most consumer friendly, innovative yet practical products of Road Construction Equipments.
